

WARRANTY BRICKWORK TINTING

SITE: SAMPLE

Any work we carry out, together with any materials used, are warranted for the lifetime of the materials treated, subject to the following conditions:-

1. The treatment is carried out during suitable weather conditions.
2. The substrate is sufficiently dry for the treatment to be successful.
3. The substrate is stable.
4. No previous or subsequent treatment of whatever kind has been, or is applied to the area, without our written approval.
5. We cannot guarantee the quality of any other party's workmanship and where this causes any problem with our treatment we can accept no responsibility.
6. We cannot accept any responsibility for any other party's material on which we are to apply or have applied our treatment. If subsequent failure occurs due to the failure to perform of any other party's material we cannot accept responsibility.
7. We cannot be held responsible for any atmospheric feature (e.g. acid rain) which may have a detrimental affect on our treatment.
8. Our warranty does not exceed the duration of any warranty offered by the manufacturer of the substrate to which the repairs have been carried out.
